THE HEART OF AUSCHWITZ

It sits like a jewel
in a museum showcase,
a cloth-and-paper valentine
created in the midst
of horror.

The **Heart of Auschwitz** is
a book made in the shape of
a heart by Auschwitz inmates.

It was presented on December 12,
1944 to celebrate the 20th birthday of
fellow Auschwitz prisoner Fania Feiner,
at a time when the women were unsure
they would celebrate any birthdays
ever again. The book contains the
wishes of its 20 authors who risked
their lives to present this gift. In the
heart of evil, these women committed a
crime of humanity. Through a remarkable
journey around the world to find the
authors, the filmmaker brings the
women's beautiful gesture back to life.
